# GERMAN BRIBES SENT TO PARIS VIA NEW YORK BANKS. "Starve Germany and Neutrals, too, if Need be," Embargo Text.

SEA LOSSES REDUCED. Lowest Ebb for the U-boat Toll.

RUSSIAN DEMOCRATS CLASH ON COALITION. SUPPLIES CUT OFF.

THE BRITISH "TANK" FACE. Man Behind the Great Engines of War.

ANTI-WAR A MILLIONS. Bollo Pasha as the Purser of It.

French Senator and Editor, Suspecting a Taint, Sent Money Back.

Records of Great Financial Houses Made Basis of a Spy's Arrest.

NEW YORK, Oct. 3.—Proof that German money was furnished in this country by Count von Bernstorff to Bollo Pasha, under arrest in Paris as a spy, will be forwarded tomorrow to the French government, it was announced tonight by Herbert C. Lewis, State Attorney-General.

The Attorney-General, who investigated Bollo Pasha's activities here, at the request of Ambassador Jusserand, said that it was a preliminary report submitted by him to the Ambassador at Washington last week, which resulted in the arrest of Bollo Pasha.

THE RECORD. "The conclusions will be substantiated by a mass of documentary evidence," the Attorney-General's statement said, "including photographic reproductions of the checks, bank records, and other proofs of the disposition of German money in this country by ex-Ambassador Bernstorff."

Bollo Pasha, who was in the United States between February 22 and March 17, 1916, came here, according to Mr. Lewis, to arrange for the transfer of German money to Paris through New York banking institutions to finance German propaganda in France. He succeeded in getting at least \$1,000,000 over to the French capital through J. P. Morgan & Co. and other banking institutions, the Attorney-General's investigation disclosed. Part of this money was used to finance the activities of Bollo Pasha in this country.

Several weeks ago, Mr. Lewis's statement said, the French Ambassador asked the assistance of Gov. Whitman in an effort to obtain information as to the activities of Bollo Pasha in this country. The Governor asked Atty.-Gen. Lewis to render assistance in the matter. Mr. Lewis had a public accountant examine the account of Bollo Pasha in the bank of G. A. Amos, a company in New York, and J. P. Morgan & Co. The accountant submitted a statement of the account, and it contained such important facts that it was submitted to the State Department at Washington and Ambassador Jusserand was shown a copy. The Ambassador declared the report proved that the money was being used for propaganda, and he called to his government, the statement said, and the arrest of Bollo Pasha followed.

THE MONEY TRACED. The money had originally been on deposit to the credit of the Deutsche Bank of Berlin, with the National Park Bank and the Guaranty Trust Company here, and was transferred from these banks to Amos and company and later to the Royal Bank of Canada. The transfer of the money, it was alleged, was made on order of Hugo Schmidt, a director of the Deutsche Bank, now in this city.

Further disclosures of the use of German funds to carry on anti-war propaganda in this country may be expected, it was intimated, as a result of the investigation of Bollo Pasha's bank accounts here.

Recent cable dispatches said that Bollo Pasha, a Levantine financier, who resided in Paris, was arrested September 19 after a Justice Department investigation concerning his reported relations with Germany.

PASHA'S CONDITION. (BY ATLANTIC CABLE AND A. P.) PARIS, Oct. 3.—The authorities have apparently carried out their decision to feed forcibly Bollo Pasha, who since he was taken to prison recently on the charge of having relations with the enemy, has refused all nourishment. It was believed he was undertaking a hunger strike, but a bulletin issued this morning respecting his condition says he has improved.

ITALIAN EFFORTS. Likewise, the Italians are giving the Austrians little respite from aerial incursions, again having dropped four tons of projectiles on military objectives at Pola, the great Austrian naval base on the Adriatic, and bombed other points of military advantage. In addition, the Italians

## Meeting the Emergency

The resources of the Pierce-Arrow Motor Car Company are organized to meet the nation's emergency. In speeding up industry, Pierce-Arrow Trucks are playing their part. Pierce-Arrow fleets are operating on emergency schedules in the service of many large manufacturers of munitions and supplies. Dependable mechanism, regular inspection service and interchangeable parts have enabled these standardized Pierce-Arrow fleets to set unusual records for sustained speed, efficiency and economy.

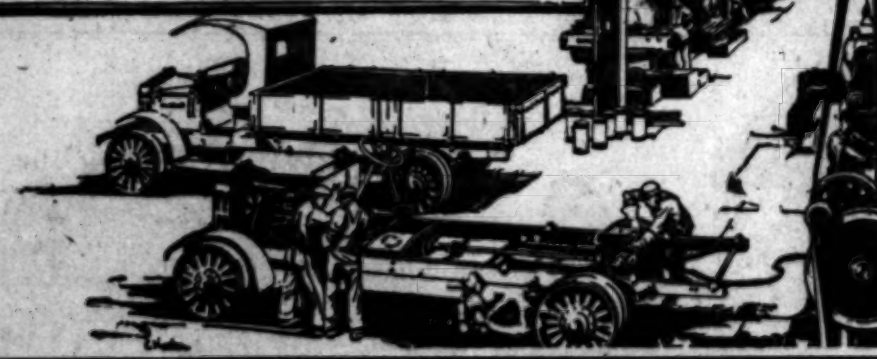

## Pierce-Arrow Motor Trucks

Emergency war orders led to the organization of the E. W. Bliss Company's fleet of fifteen Pierce-Arrow trucks. Officials say the trucks do work impossible with any other hauling unit and write themselves off the books quicker than any other machinery used.

Such great commercial success are built up in equal economies like those effected by Pierce-Arrow Trucks. A smaller business should not deny itself the advantages on which its business thrives.

## Send over a Comptometer man—

Yes, bring a machine

S. O. S. calls like that are coming in frequently these days. It is a signal for help which the Controlled-key Comptometer answers.

It answers the Bookkeeper's call for relief from the menial brain task of handling figures.

It answers the same call from the Bill Clerk, the Cost Clerk, the Auditor, the Cashier—everyone whose mental energy is being wasted on figure work—not only Addition, but Multiplication, Division, and Subtraction as well.

It answers the Manager's call for accurate results—more economical service.

It answers the call of short-handed offices where night work and overtime are necessary to keep even.

Beer Makers Meet.  
CALLS UPON BREWERS  
TO FIGHT THE DRY.

FARST OF MILWAUKEE POINTS  
OUT DANGER AHEAD.

Charges that "Professional Prohibitionists" are endeavoring to mislead people and take advantage of war conditions—Consumption of Grain Announced.

(BY A. P. DAY WIRE)

ATLANTIC CITY (N. J.) Oct. 3.—Charging that "professional prohibitionists" are "deliberately trying to mislead the people by falsifications, by taking advantage of war conditions and industrial emergencies," President Gustave Fabst of Milwaukee, speaking before the opening business session of the war convention of the United States Brewers' Association, today urged delegates to unite in the national fight for existence.

Mr. Fabst pointed out that the association had offered its co-operation to all the departments of the Federal government and the "subscriptors by brewers of millions of dollars for Liberty Bonds, at a time when the very life of the brewing industry was being threatened with destruction," was substantial proof of the attitude of the industry toward the government and its war aims.

The president called upon brewers throughout the nation to leave no stone unturned to secure the rigid enforcement of all prohibition and regulatory laws regarding the shipment and sale of beer.

Mr. Fabst observed that there are "many indications that the people are getting tired of professional prohibitionists" and that the "reaction is shown by the demand for constructive measures that shall lead to permanent improvement."

The association adopted a resolution pledging the support of the members in the government in the conduct of the war.

The Crop Improvement Committee presented a report designed to show the relatively small amount of food grains consumed by the breweries in the manufacture of beer. The report admits that 26 to 35 per cent of the barley crop is purchased each year for malt, but it is claimed, there is no other market for barley.

The report gives the total consumption of barley, corn and rice

by the brewers during the last fiscal year as 78,500,000 bushels, 25 per cent of which, according to the report, is returned to the farm in the form of cattle feed, a brewery by-product. The rice used, while perfectly wholesome, consists of broken grains which human beings will not purchase for food.

MAKE PROVISION FOR SEED GRAIN.

(BY A. P. DAY WIRE)

WASHINGTON, Oct. 3.—In order to insure the retention of sufficient seed wheat and rye to sow next year's war crops, the Department of Agriculture today announced that the thirty-day grain storage limitation will not apply to seed grain. Lots may be kept for seed purposes until the end of the next seeding season, but cannot be sold at a price exceeding by 15 per cent the selling price of No. 1 wheat at the elevator where stored.

MANY HOMELESS IN JAPAN.

(BY ATLANTIC CABLE AND A. P.)

LONDON, Oct. 3.—A Shanghai dispatch to Reuters says that as the result of a typhoon which swept over Tokyo on Monday, 400,000 persons are homeless and that 153 are dead and 317 missing.

AUSTRALIAN WHEAT  
COMING TO AMERICA.

(BY A. P. DAY WIRE)

PORTLAND (Or.) Oct. 3.—M. H. Houser, Federal grain commissioner for the Northwest, announced today he had received confirmation of reports that large quantities of Australian wheat are being shipped here.

"The Australian wheat," Mr. Houser said, "will be available for milling here, and this will release a corresponding amount of Northwest wheat for shipment overseas to Chicago."

HOG BREEDERS WANT  
MINIMUM PRICE SET.

(BY A. P. DAY WIRE)

WATERLOO (Iowa) Oct. 3.—A guaranteed minimum price on hogs to stimulate production was urged on the government today as the strongest safeguard against a meat famine next year at a meeting of swine breeders of six states.

The breeders held that Mr. Hoover's sweeping promise of farm profits to producers was unsatisfactory, and insisted on a definite price announcement. They want the minimum price based on the cost of corn, allowing ten to fifteen bushels of corn to 100 pounds of pork.

A committee was named by H. C. Wallace, chairman of the conference, to draft resolutions to present to Mr. Hoover. Clifford Pinchot and T. C. Norris, Premier of Manitoba, Can., addressed the meeting.

SECRET SERVICE MEN  
AFTER FOOD SHARKS.

(BY A. P. DAY WIRE)

WASHINGTON, Oct. 3.—Food price manipulators and profiteers will have the trained men and resources of the secret service to cope with Herbert Hoover, the food administrator, has asked President Wilson for the services of the corps, and it has been granted.

BENEFIT WAR FUND  
FOR AMERICAN ARMY.

(BY A. P. DAY WIRE)

CHICAGO, Oct. 3.—A war fund of \$25,000,000 for the benefit of the American army now in Europe and for American troops in the army cantonments will be solicited throughout the United States by the Young Men's Christian Association in the week beginning November 11, according to an announcement today.

NINE MILLION MORE  
FOR WAR BOND FUND.

(BY A. P. NIGHT WIRE)

CHICAGO, Oct. 3.—The third day of the Liberty Loan campaign in Chicago netted approximately \$2,000,000, the greater portion of which was in two major subscriptions, \$1,000,000 by the Chicago Burlington and Northern Railroad and \$2,000,000 by Sears, Roebuck & Co. The Chicago Board of Trade made its initial subscription of \$100,000 and J. R. Forgan purchased \$10,000. The subscription of the Burlington railroad makes their total purchase \$10,000,000, the road having invested \$5,000,000 in the first issue.

ASSOCIATED PRESS  
TO BUY WAR BONDS.

(BY A. P. DAY WIRE)

NEW YORK, Oct. 3.—The directors of the Associated Press, in session here today, unanimously resolved to transfer the sum of \$100,000 which the association has in its emergency reserve fund, to an investment in Liberty Loan registered bonds, as was done in the case of the first issue. In addition, it was unanimously resolved that the executive officers be authorized to encourage the subscription for Liberty Loan bonds by employees on a partial payment plan, the association to carry the bonds and deferred payments until fully paid for by employees.

SEPARATE PEACE  
PROPOSALS DENIED.

(BY ATLANTIC CABLE AND A. P.)

AMSTERDAM, Oct. 3.—Germany has made no proposals whatever for a separate peace either with France or Great Britain. Dr. Von Kuehlmann, the German Foreign Secretary, makes this announcement, according to advices from Berlin, in answering the speech made by Gen. Verkhovskiy, the Russian Minister of War, before the democratic congress in Petrograd.

BOSTON MEDICAL  
IS KILLED AT FRONT.

(BY A. P. DAY WIRE)

WASHINGTON, Oct. 3.—Dr. F. Howe of the Boston Medical Corps was killed in action September 25 while with British forces in France. Adjutant-General today announced the death of the doctor.

FRANCE, Oct. 3.—American officers will devote the coming year to a special study of the peculiar to the war and its effects on the forward casualty classification on the French and its fronts.

Special Study Is Planned  
Winter Months.

(BY ATLANTIC CABLE AND A. P.)

FRANCE, Oct. 3.—American officers will devote the coming year to a special study of the peculiar to the war and its effects on the forward casualty classification on the French and its fronts.

At the casualty stations, they get all the experience they can from the marvelous war surgery that has made such rapid strides in the last three years. They are trained in the treatment of the forward casualty classification on the French and its fronts.

The first of the month at the hospital taken at the Johns Hopkins Hospital, soon after the first conference of American troops landed in France.

One subject to which much time will be devoted will be "shell shock" which has been troublesome to both the French and British medical officers.

Dr. H. F. Roberts of Santa Ana, Cal., who has been in France since the outbreak of the war, will give lectures on the subject of "shell shock" at the Johns Hopkins Hospital, soon after the first conference of American troops landed in France.

## THREE WOMEN ARE VICTIMS.

Two are Fatally Hurt When Automobile Overturns.

Third Sustains Broken Bones and Other Injuries.

Methodist Conference Opens at Long Beach.

Long Beach, Oct. 3.—Three women were seriously hurt, two of them fatally, when a large automobile overturned on one of them.

The women were brought to the local hospital. The driver, Mrs. J. J. Roberts of Talbert, and Mrs. E. F. Roberts of Santa Ana, were not injured.

The automobile, a 1916 model, was driven by Mrs. J. J. Roberts. It was carrying several passengers.

The accident occurred on the highway between Long Beach and Santa Ana. The automobile overturned on its side.

The driver, Mrs. J. J. Roberts, was killed. Mrs. E. F. Roberts was also killed.

The third woman, Mrs. J. J. Roberts, was seriously injured. She was taken to the hospital.

## PEARL PET WILL LEAVE FOR CHILE.

TULARE, Oct. 3.—Tulare-bred Halstead dairy cattle will go to South America to stock some large ranches.

W. J. Higgins, a local breeder, has closed a contract with General Camp y Compania of Talagante, Chile, for seven head of purebred stock, headed by a yearling, Pearl Pet, a prize winner at the recent district fair.

Young stock valued at about \$4000 will be included in the first shipment.

## PETITIONS FILED AT SANTA MONICA.

"DRY" PRESENT TWO TO THE CITY COMMISSION.

One is for Total Prohibition and the other will Permit a Wholesale Liquor House for Every Five Thousand Inhabitants—Corpus of Woman Washed Ashore.

SANTA MONICA, Oct. 3.—Two different plans for placing the "wet" and "dry" question before the voters were presented today when a committee representing the "dry" filed two different petitions. One, containing about 1700 names, calls for an election to decide a "bone-dry" proposition. The other, containing about 1300 names, favors the plan to permit one wholesale liquor house for each 5000 inhabitants. This petition, to make the calling of an election mandatory upon the City Commissioners, should have about 1000 names.

As planned at present, the petitioners hope to have the question placed on the ballot at the municipal election in December. After the City Clerk has checked up the petitions for which he has twenty days in which to file supplemental petitions.

The filing of the second petition, permitting a certain number of wholesale liquor houses, came from the holding of a meeting last night at the City Hall. A committee of business men was to appear before the "dry" leaders and present a petition signed by 100 business men, but the committee members did not appear, as the time was too short to obtain the names.

AWAITS IDENTIFICATION. Efforts were made today to identify the body of a woman, 50 or 55 years old, which was found in the surf this morning by Russell Pruitt, a fisherman. No cards, letters or other marks of identification, except one side of a set of false teeth, were found. The woman was dressed in a gray suit, and her hair was gray. She wore white canvas shoes and dark stockings. The lower half of the false-teeth set was missing.

The body was taken to the morgue of Roy Williamson, on Fourth street, where it awaits identification. The undertaker is of the opinion that the body had been in the water only three or four hours. The local police notified the Los Angeles department to see if the description given tallies with that of any woman reported missing.

## BURNED AREA IS ENLARGED.

Fire in Sepe Canyon Again Beyond Control.

Children Find Safety in Big Watering Trough.

Faithful Dog Perishes Near His Loved Mistress.

SANTA PAULA, Oct. 3.—The forest fire which has been burning in the Sepe Canyon, between Fillmore and Ojai, since Friday, is spreading in all directions tonight. In addition, a second fire on Pine Creek is also beyond control. The walls of the entire Sepe Valley are in flames. Derricks owned by the Big Sepe Oil Company are reported in danger.

There is further evidence that the flames were of incendiary origin and the Federal authorities are hunting a suspect who was seen on horseback in the mountains a few days ago.

Intense heat, caused in part by the fire and in part by the unusual weather conditions, made the work of the fire fighters more difficult today, and several cases of exhaustion were treated here and at Fillmore.

CAUGHT IN TRAP. Caught in a fire trap at the foot of a precipitous bluff, three women and a child were burned to death in a camp on the Blackjack oil lease in the Sepe Canyon. The dead are: Mrs. Hattie M. Webb of Santa Paula, 31 years old; Mrs. Vero Baldock of Oregon, 19 years old; Mrs. Webb's sister-in-law, Ruth Frazier, 17 years old, of Santa Paula, and little Vero Webb, 3 years old, daughter of Mrs. Webb.

The party of seventeen, in the employ of the Union Oil Company, encamped at Anacapa, included F. H. Webb, wife, four children and his sister, Mrs. Baldock, besides Ruth Frazier and her brother Roy and others who escaped to safety.

As the sudden change in the direction of the fire imperiled the camp, Webb, carrying one of the older and heavier children, escaped along a trail leading away from the advancing flames. He called to the others of the party to follow, and thought they were behind him, but in the confusion three women and one child went in the wrong direction and were overtaken by the flames.

Ruth Frazier, one of those who perished, was with her brother, Roy Frazier, when the fire reached the camp. The boy made every possible effort to save his sister and to take her down the trail to safety, and did not leave her until overtaken by the flames, when he was forced to give up the effort of carrying her along the trail.

BY WATERING TROUGH. Webb, carrying one little girl and leading two others, and the rest of the party who escaped, reached a barn farther down the trail and there spent the night. In the intolerable heat of the furnace-like retreat, the children were put into a watering trough.

A rescue party summoned from Santa Paula, sixteen miles away, reached the lease shortly after midnight, wrapped the burned bodies in strips of canvas torn from a tent and walked six miles down the trail to where automobiles were waiting to bring the bodies to Santa Paula. The estimate of damage done to the property of the Union Oil Company, as given by E. H. Chamberlain, field superintendent of the company, is between \$5000 and \$6000. Two oil rigs and two derricks were destroyed, and the Los Angeles lease, at the foot of the hill where the Blackjack lease is located, was threatened, but according to latest reports, has not been damaged.

INQUEST HELD. An inquest was held over the four bodies at the Buckley undertaking parlors this morning. The coroner's jury brought in the verdict that the four persons "came to their death by being burned to death in a forest fire, in a district known as the Blackjack lease."

"Keno," the faithful dog owned by the Webb family for nine years, perished by the side of his mistress, faithful to death, never leaving her or the little girl.

When the dog died, Mrs. Webb told the coroner's jury that she had seen the dog die, and that she had seen the dog die.

When the dog died, Mrs. Webb told the coroner's jury that she had seen the dog die, and that she had seen the dog die.

When the dog died, Mrs. Webb told the coroner's jury that she had seen the dog die, and that she had seen the dog die.

## STEEL SPLINTERS ENTER MAN'S EYE.

REDLANDS, Oct. 3.—F. F. Bauer was painfully but he hoped not seriously injured while hunting in the foothills near Yucaipa Monday. A shell in his shotgun exploded and some splinters from the steel casing lodged in the eyeball of his right eye.

Mr. Bauer thought that it was powder but when he reached home and the pain increased, he called doctors. They located the splinters and two of them were extracted with the aid of a powerful magnet. A larger one refused to yield to this and it was necessary to use a pair of pliers in pulling it from the eyeball.

PERMISSION GIVEN TO RAISE RATES.

REDLANDS, Oct. 3.—The State Railroad Commission has acted favorably on the application of the Citrus Belt Gas Company to increase its rates in this city and Corona and in the future the rate here will be \$1.45 per 1000 cubic feet and in Corona it will be \$1.75 per 1000.

The Corona rate was \$1.49 a 1000. The company has adopted a sliding scale for Redlands, but the rate for 90 per cent. of the consumers jumps just 35 cents a thousand. The company has asked to increase the rates in San Bernardino and Colton also.

Money Transferred 8000 Miles by Western Union.

Two Hindus recently sent \$1600 to far-off India by Western Union. More than \$45,000,000 was transferred last year.

No matter whether the distance be 80 miles or 8000 miles, Western Union money transfers will meet the need fully, promptly and with absolute safety.

## BEAN CROP BELOW LAST YEAR'S YIELD.

OXNARD, Oct. 3.—Bean crops in the Montalvo section, where the threshers have been working the last few days, are falling considerably below last year's yield, as were the beans in the east end of the county, but the crops are not far from average. H. Valle harvested 1900 sacks less than last year on a tract of 140 acres. O. C. Merrill secured 1700 eighty-pound sacks to the acre. From this tract last year he got thirty-five hundred sacks. James Ward secured 3410 sacks from 110 acres. H. R. Jewett secured 1400 eighty-pound sacks from forty acres. One of the heaviest crops in the Montalvo district. Irrigated tracts, which ordinarily yield heavily in this season, are producing only slightly better crops than those grown without irrigation.

Albert Pettit sold 1400 sacks of his beans at \$11.25, this being the highest price at which beans have actually sold, although reports are current of ranchers having been offered \$12.50. Lehmann & Waterman and the A. & H. Levy Company were buyers of the Pettit beans. Lady Washingtons were quoted at \$11.10 here yesterday, and black-eye at \$11.75.

## PROTEST OF PRINCE IS UP FOR HEARING.

LONDON, Oct. 3.—The protest brought by Prince Friedrich of Prussia against the Prussian Minister of the House as a protest against the proposed secret court at Potsdam today, according to an Associated Press dispatch to the Exchange Telegraph Company. All efforts to force Prince to renounce the action have been abortive. The decision of the court will not be published.

According to an announcement made in the official gazette of the Prussian government today, Prince Leopold of Prussia, who is 23 years old, was charged by Count Eulenberg with extravagance and placed under the guardianship of Capt. Von Hayden, the Prince's very escort.

## BOSTON MEDICAL MAN IS KILLED AT FRONT.

WASHINGTON, Oct. 3.—Lt. F. Howe of the Boston Medical Reserve Corps was killed in action September 25 while on duty with British forces in France. Adjutant-General today announced the death.

## GRADUATE OF HARVARD FOUND DEAD IN BED AT VENICE.

BOSTON, Oct. 3.—Lieut. F. Howe, a native of Lowell, whose death at the front in France was announced today, had graduated himself in the medical department of Harvard University in 1909, and had Medical College four years later. He volunteered here for service in the Medical Officers' Corps last spring and was abroad unattached. After preliminary service in European theaters he was attached as medical officer to a British infantry battalion. Recent letters from him told of his loss in the trenches with his brother, Thorndike D. Howe, a lieutenant in the American army regiment.

## SUPPRESS SLAY REVOLT.

WASHINGTON, Oct. 3.—The Provisional Government of Russia today announced that it had suppressed a revolt which broke out on October 2 at Tamber, 140 miles southeast of Moscow, has been suppressed.

## BEFORE MOVING TO FRANCE.

With the two at the front, the Provisional Government of Russia today announced that it had suppressed a revolt which broke out on October 2 at Tamber, 140 miles southeast of Moscow, has been suppressed.

### Why Keep the Outside Men Waiting Inside?

It's their long hand reports or a few letters that stenographers cannot find time to write that wastes their time and a great deal of money!

A few minutes of Edison Dictation by a salesman will clean up his office business and allow him to get out where the orders are! You owe this to your men as well as to the business. And besides, it's better to have less "talk" and more reports in writing for reference and a clear understanding.

Write or phone us today, "I will dictate a letter the Edison way."

**EJECTMENT SUIT.**  
An ejectment suit against Foreman & Clark, clothing merchants on the second floor of the Metropolitan Building, was filed yesterday in the County Clerk's office by N. T. Vall, lessee of the property. Besides seeking the ejectment of the firm, Mr. Vall demands three times the

regular monthly rental, \$1250, from December 1, 1916, because of the defendants' alleged failure to move when first asked to do so.

DRIVE ON WAR ISSUES; CLOSING IS UNSETTLED.

All Kinds of Industrials Yield to Pressure on Bethlehem Steel.

NEW YORK, Oct. 4.—Dullness was the chief characteristic of today's stock market, trading falling off sharply until the final hour, when heavy selling of war stocks, especially the war stocks, caused an unsettled close.

The issues most affected during this further period of liquidation included Bethlehem Steel new stock, which broke seven points to 46 1/2, the old shares dropping seven and three-fourths to 37 1/4, while the new 8 per cent preferred stock was offered at 92, against its subscription price of par.

All classes of industrials yielded to the sudden pressure upon Bethlehem Steel. United States Steel reacted from its high of 1.03 1/2, a net loss of one and five-eighths. Specialties, as well as coppers and numerous equipments, were carried down by the late decline, ending at issues of one to three points.

Utilities, motors, oils and various miscellaneous shares moved within narrow limits, until the related liquidation elsewhere induced a reversal of short selling in those groups.

Sales amounted to \$40,000 shares.

The money market gave promise of further ease, call loans opening at 4 1/2 per cent, but advancing later to 5. Short-time loans relaxed slightly, but with no marked increase of available funds.

Bonds were irregular on limited

OFFICE OF THE TREASURER, U. S. DEPT. OF THE TREASURY, Washington, D. C., Oct. 4, 1917.

Bank clearing yesterday for the week ending October 3, 1917, was \$1,100,000,000, as compared to \$1,000,000,000 for the week ending September 24, 1917.

Monday, October 4, 1917. 1917. Tuesday, October 5, 1917. 1917. Wednesday, October 6, 1917. 1917. Thursday, October 7, 1917. 1917. Friday, October 8, 1917. 1917.

LEADERS WEAKEN ON EXCHANGE.

OLD STOCKS CONTINUE TO DECLINE.

United Eastern also Slumps—Demand Revives for Miscellaneous Outman Securities—A Strong Upward Movement in United Northern—Gold Ore News.

With a few exceptions the majority of active securities slumped rather severely yesterday. This was particularly true of the oil stocks. Union Oil opened down a half at 122.00, sold at 121.50, and closed at 121.00. General Petroleum changed hands at 90.50, and there was but a meager demand for the issue at 90.00. United Eastern went below the 4.00 mark and sales in that issue were registered at 3.97 1/2 as the result was brought to an end. A much stronger demand was noticed for the miscellaneous Outman and higher quotations for the same was one of the chief features of Wednesday's meeting. United Northern moved up to .85 on regular transactions and seller thirty-day contracts brought .87. This company will resume operations next Saturday, according to reports, when a prospect will be driven 100 feet to a known vein. The company is said to be wholly financed for a long campaign of development work, and as several mining experts claim that the property presents very attractive possibilities important news is expected from the company within another month or so.

FIGURED SHORTAGE IN CORN AIDS BULLS.

ESTIMATES SAY GOVERNMENT IS OFF 85,000,000 BUSHELS.

Big Withdrawal of Oats from Chicago Stores Tends to Inspire Confidence in Rising Side of the Market—Unloading by Recent Active Buyers Lowers Provisions.

CHICAGO, Oct. 4.—Estimates that the 1917 yield of corn, although larger than the average crop, would be 80,000,000 bushels to 85,000,000 bushels short of the total suggested by the government report a month ago, put strength today into the corn market. Prices closed firm, three-eighths to five-eighths net higher, at 1.20 December and 1.16 1/2 May. Oats gained three-eighths to one and one-eighth. In provisions the outcome was unchanged to 40 cents lower.

The advance in corn came after a brief interval of weakness, which developed during the early trading, and which was imputed to favorable weather and to the virtual certainty that an ample supply of sound commercial quality had now been assured.

Big withdrawals of oats from stores here tended to inspire confidence in the bull side of the oats market, which then advanced.

Unloading by some of the most active of recent buyers pulled down provisions.

FISH PROJECT MEETS REBUFF.

Under Right Minister's Colleague Scheme, Market Dealer Would Send Northern Surplus Here.

Reduction in Maximum License Fee May Be Asked.

The scheme of Col. Weinstein, State market director, to attempt to force a material reduction in the price of fish on the local market by shipping sufficient quantities daily from San Francisco to equalize the supply with the demand, was flatly rejected by the harbor fishing interests at a meeting held yesterday afternoon in the office of Minister of Marine Affairs, L. J. Weinstein.

The local fishermen and dealers did not take kindly to Col. Weinstein's idea of forcing the market by shipping sufficient quantities daily from San Francisco to equalize the supply with the demand, was flatly rejected by the harbor fishing interests at a meeting held yesterday afternoon in the office of Minister of Marine Affairs, L. J. Weinstein.

J. Weinstein.

ANXIETY TO FIGHT LEADS TO ARREST.

Belgian Recruit Said to Have Forged Checks.

Only Concern When Taken into Custody Seemed to be that He May Be in Jail Too Long to Permit Him Going to France with His Artillery Command.

So anxious was Otto Farra, alias Albert Morris, a Belgian, to get back into the army in the hope that he would eventually be sent to France to fight the Germans, and thereby have an opportunity to partially atone for the desertion of his native land by the Belgian army, that yesterday afternoon he risked being arrested on the charge of issuing and cashing a forged check.

After Farra joined the Coast Artillery at San Pedro, he came to Los Angeles, spent two weeks there, and induced a local bank to cash a \$10 check purported to have been issued by A. J. Meyer. The cash was turned over to a detective agency. While the money was being searched for, Farra was quietly drilling at Carson.

Several months ago Farra was arrested for another alleged forged check and spent several weeks in the County Jail unknown to the detective agency and the local police. He was discharged in the interim and returned to the army.

Yesterday morning Farra was discharged and he did not have his final citizenship papers. He was informed that when he got them he would be reinstated in the army.

Farra freely admitted passing the forged check, his only concern being that he might not be kept so long in jail that his command will be ordered to France without him.

REPORT SMALL FIRES IN ANGELES RESERVE.

Several small forest fires in various parts of the Angeles Forest Reserve were reported yesterday. One outbreak was reported in Waterman Canyon, but the fire was soon extinguished. In addition, two minor conflagrations were reported in the San Bernardino Mountains.

It was stated last night that the local fire fighters may be called at any time to combat the big conflagration now raging in Ventura county. The woods are very dry at this season of the year, and there are hundreds of hunters in the big woods, thus increasing the menace.

FOR DEPORTATION.

Mike Iglesias, a Spaniard, was arrested yesterday and held for deportation by the local immigration authorities. Iglesias was tried in San Diego recently on the charge of smuggling smoking opium, but was acquitted.

HARMONY AT LAST.

City and Gas and Electric Corporation Will Work out Scheme for Dual Fuel System.

Special Counsel Matthews reported to the Public Service Commission yesterday that he has secured an agreement in principle from the City and Gas and Electric Corporation in a plan whereby an engineer from that concern and one from the municipal power bureau will work out a system that will permit the lines of each to be on the same street and still be in conformity with the requirements of the State Railroad Commission.

LODGE WILL HOLD BIG CEREMONIAL.

OPEN-AIR FEATS PLANNED BY KNIGHTS OF KHORASSAN.

Barbours Tiger Hunt is a Rodeo, and is to be held at the Hotel Khorassan, a feature of the twentieth anniversary celebration.

Selig Zoo will be transformed into a big open air lodge room next Saturday, when 10,000 members of the Dramatic Order-Knights of Khorassan, meet for their twentieth anniversary celebration.

The twentieth anniversary celebration of the Knights of Khorassan will begin at 7 o'clock.

The team will consist entirely of Royal Princes, 100 of whom will be initiated into the order D.O.K.E. Every two who survives the ordeal will be presented with a fee, a solid gold lapel button, a handsome card case to carry his receipt in and a diploma. Every member is expected to wear his fee.

Big polo, members of the order, will be stationed all around the park so thick that they will form a human wall so that not a single secret can escape.

As a result of the monster Knights of Pythias picnic held in Monrovia in September, a big membership drive was started and on the 26th day of the month, 1917, will be initiated. The drive will continue until January 1.

MAKE DEEP CUT IN FEDERAL EXPENSES.

Expenditures of United States Marshal Walton for the quarter ending September 30, amounted to \$59,785.32, divided as follows: Salaries, fees and expenses, \$45,151.51; jurors, \$4,274.90; witnesses, \$2,467.49; support of prisoners, \$1,994.30; bailiffs, \$1,546.15; miscellaneous, \$1,815.77; District Attorney's office, \$3,232.14; District Attorney's salaries, \$2,975; District Judge, \$1,000; Circuit Court Judge, \$1,750; increased compensation, \$1,151.51.

This last item of expense is an addition made necessary by the act of Congress taking effect July 1, last, and applying to the employees in the office of the United States District Attorney and United States Marshal, with the exception of the District Attorney and the Marshal and his chief clerk. The total is a reduction of \$15,150 as compared with the former quarter.

The Public Service.

BROADWAY LIGHTING SYSTEM APPROVED.

COUNCIL ADOPTS PINAD ORDINANCE WORK TO BE RUSHED.

Only One Objection to Project and It Was Overruled by a Vote of 10-2.

Brilliant illumination of Broadway from the tunnel to Tenth street will be a reality within a short time, the Council yesterday confirming the ordinance. Architect Lyman Farwell registered the only objection to the project.

Members of the Council agreed with Fred Blanchard, who said action had been deferred long enough, and that as practically every property owner along Broadway favors the plan, it should be adopted.

There was not a dissenting vote. The ordinance was adopted by a vote of 10-2.

Protests Against Farewell. A vigorous protest was filed with the Council yesterday by C. R. Harris against the improvement of Council street at the family residence.

To Entertain Congressmen. The Council yesterday appropriated \$100 to be used by the Chamber of Commerce in meeting the expense of entertaining the Committee on Naval Affairs of the House of Representatives when it comes here to inspect the submarine base in the harbor.

Lodging Workers Fanned. Funeral services for Mrs. Esther Jane Moore, State organizer of the International Sunshine Society, who died Monday at the family residence, No. 443 West Forty-ninth street, were conducted yesterday afternoon in Bresson Bros. chapel.

FOR DEPORTATION. Mike Iglesias, a Spaniard, was arrested yesterday and held for deportation by the local immigration authorities.

VALLEY PEOPLE ALLEGE FRAUD.

Imperial Supervisors Ask Federal Action.

Milford (Utah) Land Scheme Said to be Involved.

Technicalities Obscure the Service of Summons.

United States District Attorney O'Connor yesterday received a telegram from the Imperial County Board of Supervisors asking him to proceed against the officers of the Delta Land and Water Company before the Federal grand jury for alleged land fraud.

The matter has been in process of investigation by the office of the United States District Attorney for some time, it appears, but nothing will be done toward any criminal prosecution until cases against the corporation now pending in the local Federal court are disposed of.

Seventy-two actions were brought in the Federal court by individual defendants against the Delta Land and Water Company, the Western Securities Company, W. L. Moody, president of the last-named company, Lloyd Singler, president of the last-named company, and Charles H. Schwartz, a partner in the company.

The matter has been in process of investigation by the office of the United States District Attorney for some time, it appears, but nothing will be done toward any criminal prosecution until cases against the corporation now pending in the local Federal court are disposed of.

In proceedings before Judge Trippet here, the service of summons on the defendants was quashed by the court on the ground that it had been illegally done by serving a copy of the complaint upon the Secretary of the United States District Court.

It was claimed by the defendants that they had been misled by the company's agent, and there was nobody in California upon whom summons could be served.

It was claimed by the defendants that they had been misled by the company's agent, and there was nobody in California upon whom summons could be served.

It was claimed by the defendants that they had been misled by the company's agent, and there was nobody in California upon whom summons could be served.

LOSES APPEAL IN MANN ACT CASE.

The United States Circuit Court of Appeal yesterday refused the rehearing petitioned for in behalf of James B. Miller, who was convicted before a jury in United States District Court, Judge Trippet, of violating the Mann white slave law, and sentenced to one year in the Federal Penitentiary at McNeil's Island, and to pay a fine of \$10,000.

With this latest action of the court, Miller, who is at liberty under bond, will be compelled to begin his sentence within thirty days. It was charged that he took girls from points in California to a dance hall in Los Angeles where immoral acts were practiced.

At this time the litigation is at a standstill in the local Federal court, but there has been talk of beginning the suits within the Utah jurisdiction.

At the City Hall. Marshal Walton for the quarter ending September 30, amounted to \$59,785.32, divided as follows: Salaries, fees and expenses, \$45,151.51; jurors, \$4,274.90; witnesses, \$2,467.49; support of prisoners, \$1,994.30; bailiffs, \$1,546.15; miscellaneous, \$1,815.77; District Attorney's office, \$3,232.14; District Attorney's salaries, \$2,975; District Judge, \$1,000; Circuit Court Judge, \$1,750; increased compensation, \$1,151.51.

This last item of expense is an addition made necessary by the act of Congress taking effect July 1, last, and applying to the employees in the office of the United States District Attorney and United States Marshal, with the exception of the District Attorney and the Marshal and his chief clerk.

At the Courthouse. Mrs. Florence Henderson of No. 1114 Coronado terrace looked more like a senior high school girl than a twice-married woman when she took the witness stand in her own behalf in Superior Judge Russ Avery's court yesterday. She sued for an annulment of her second marriage.

Woman Who Looks Like School Girl Tells of Marital Twist that Was Unknown to Her Until Recently—Asks for and Gets Annulment of Second Marriage.

Woman Who Looks Like School Girl Tells of Marital Twist that Was Unknown to Her Until Recently—Asks for and Gets Annulment of Second Marriage.

SALVAGE CAMPAIGN FOR THE RED CROSS.

Plans for a salvage campaign November 15 to 17, inclusive, that will include a house-to-house canvass, were completed yesterday by the Los Angeles chapter of the Red Cross.

This campaign has the approval of the Secretary of War and the national officers of the Red Cross. It is hoped to eventually nationalize the campaign.

An important part of the campaign will be the collection of newspapers, which will be disposed of under contract, at the Red Cross. As one concern here handles 1,000,000 pounds of waste paper monthly, the campaign, Red Cross officers point out, should not go wrong because of lack of material.

Fashion Notes. IDEALS EMBODIED IN WOMAN'S STORE.

CITIZEN'S NEW SHOP HAS REAL HOME ATMOSPHERE.

Tasteful Appointments Ruling Note in West Seventh-street Store for Lovers of Pretty Things. Motto is Best Service at Least Cost, Quality Considered.

"A dream for fair women." Thus might the new Citrine shop, No. 511-513 West Seventh street, be described, for it is the embodiment of those wishes which form part of the sartorial dreams of all women who care for the niceties of dress.

This new store is the result, not of a hurried plan, but into effect upon the anti-saloon leaders want and at the same time save the taxpayers a large amount of money.

It was said yesterday that some of the principal civic bodies of the city will urge the Council to prevent the special election by the adoption of an ordinance.

The Council will give its first official consideration of an anti-saloon ordinance at 11 o'clock this morning when the Public Welfare Committee will discuss the request made yesterday by W. F. Paulding, secretary of the California Taxpayers' League, that a measure be adopted to eliminate the saloons on December 31, next year, and it would fix the

time limit for the sale of intoxicating beverages in cafes, hotels and restaurants at midnight and increase the maximum of alcohol in wines to 21 per cent.

The Gandler ordinance would close the saloons April 1, next year, close cafes, etc., at 9 p.m., and fix the maximum of alcohol in wines at 14 per cent.

It was claimed by the government that Devinney was at the head of a gang of men engaged in wholesale looting of freight cars filled with goods, but only three pairs of shoes could be found as evidence and the indictment was based on them.

Devinney is a powerful man physically, and he has been up several policemen and special agents of the Southern Pacific on Main street before he submitted to capture several months ago.

When the Schwarzs were divorced, the wife was given the custody of Grace, with the provision that the father could enjoy her company from time to time. Later the girl was adopted by Mr. Blaylock, it is said that on the 29th ult. Mr. Schwartz visited a dancing school where his daughter was taking lessons and induced her to accompany him, since which time, neither have been seen by friends or acquaintances.

BOBBERS BEAT HIM. Louis Phillips, No. 247 South Benton way, reported to the police yesterday that two men attempted to rob his residence by daylight, and that when he confronted them they pulled revolvers and beat him over the head with them.

Stolen Looking for Girl Who Disappeared After Visit from Her Father.

A State-wide search is being made by the Sheriff's office for William O. Schwartz of the Clements apartments, No. 1318 Maryland street, for whom a warrant has been issued charging him with stealing his own daughter, Grace Schwartz, aged 11, who had been adopted by G. H. Blaylock, who instigated the search.

Mr. Schwartz is a brother of Otto Schwartz, one of the proprietors of the Waldorf Hotel, Venice, the most prominent hotel at that beach. His wife is now Mrs. Earl Northrop, who lives at Burlingame, Cal., one of the more exclusive social suburban towns near San Francisco where the elite go in strongly for golf, polo and tennis.

Stolen Looking for Girl Who Disappeared After Visit from Her Father.

COUNCIL MAY KILL SALOONS.

Strong Pressure Brought to Avoid Election.

Matter Comes up for its First Hearing Today.

Welfare League and Others to Present Arguments.

Developments yesterday in the anti-saloon campaign preaged some kind of action by the Council on the question of whether it should adopt an ordinance eliminating the open saloon and otherwise regulating the liquor traffic or to permit the matter to go before the people at a special election. It was the general opinion last night that a majority of the Councilmen will finally get together and settle the problem by their own votes.

President Conwell asserted that it is the plain duty of the Council to adopt an anti-saloon ordinance. His reasons were that it is self evident that the people are opposed to the saloon and if the Council enacts an ordinance eliminating them on June 30, next year, the taxpayers will be saved approximately \$155,000.

Mayor Woodman is in sympathy with the movement to banish the saloon and regulate other angles of the liquor traffic. In consideration of the subject, however, he has indicated that public officials can not very well overlook the fact that there is an opportunity to get what the anti-saloon leaders want and at the same time save the taxpayers a large amount of money.

It was said yesterday that some of the principal civic bodies of the city will urge the Council to prevent the special election by the adoption of an ordinance.

The Council will give its first official consideration of an anti-saloon ordinance at 11 o'clock this morning when the Public Welfare Committee will discuss the request made yesterday by W. F. Paulding, secretary of the California Taxpayers' League, that a measure be adopted to eliminate the saloons on December 31, next year, and it would fix the

Later the girl was adopted by Mr. Blaylock, it is said that on the 29th ult. Mr. Schwartz visited a dancing school where his daughter was taking lessons and induced her to accompany him, since which time, neither have been seen by friends or acquaintances.

BOBBERS BEAT HIM. Louis Phillips, No. 247 South Benton way, reported to the police yesterday that two men attempted to rob his residence by daylight, and that when he confronted them they pulled revolvers and beat him over the head with them.

Stolen Looking for Girl Who Disappeared After Visit from Her Father.

A State-wide search is being made by the Sheriff's office for William O. Schwartz of the Clements apartments, No. 1318 Maryland street, for whom a warrant has been issued charging him with stealing his own daughter, Grace Schwartz, aged 11, who had been adopted by G. H. Blaylock, who instigated the search.

Mr. Schwartz is a brother of Otto Schwartz, one of the proprietors of the Waldorf Hotel, Venice, the most prominent hotel at that beach. His wife is now Mrs. Earl Northrop, who lives at Burlingame, Cal., one of the more exclusive social suburban towns near San Francisco where the elite go in strongly for golf, polo and tennis.

PLEADS GUILTY TO LOOTING FREIGHT CAR.

Frank C. Devinney, a former brakeman of the Southern Pacific, pleaded guilty yesterday to stealing three pairs of shoes which were en route in interstate commerce, between Yuma and Indio, and was sentenced to three months in the County Jail by Judge Trippet.

It was claimed by the government that Devinney was at the head of a gang of men engaged in wholesale looting of freight cars filled with goods, but only three pairs of shoes could be found as evidence and the indictment was based on them.

Devinney is a powerful man physically, and he has been up several policemen and special agents of the Southern Pacific on Main street before he submitted to capture several months ago.

When the Schwarzs were divorced, the wife was given the custody of Grace, with the provision that the father could enjoy her company from time to time. Later the girl was adopted by Mr. Blaylock, it is said that on the 29th ult. Mr. Schwartz visited a dancing school where his daughter was taking lessons and induced her to accompany him, since which time, neither have been seen by friends or acquaintances.
